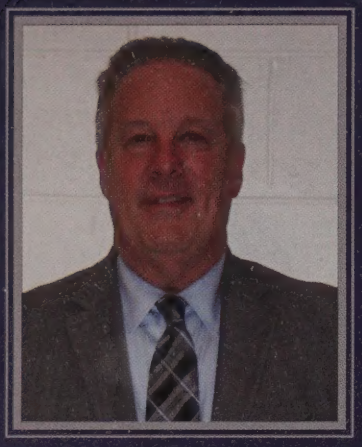
Ravelins

2011-2012

The theme of this year's Oxford High Ravelins is very unique to the year 2012. The Mayan culture believed that the world would end in this year, but the students at Oxford High School do not. That is why our theme for this year is "2012 - It's Not the End of the World." We believe that even though our time at Oxford High School is ending, our time spent here is just a beginning chapter of the many chapters yet to come in our lives.

Faculty & Staff



Superintendent
Mr. Allen Himmelberger

Principal
Mr. Kevin P. Wells

Assistant Principal
Mr. David Nugent

The faculty and staff are extremely devoted to the student body as a whole. They keep the school a safe environment to encourage student learning. The faculty and staff help the students daily, whether through serving healthy meals, keeping the school clean, being an advisor to a club, or staying after to help students. The success of the students would not be possible without the Oxford High School faculty and staff.

Office

Each day, the secretaries of Oxford High School work with students, faculty, and each other to create an environment contributing to a student's education. They provide order throughout the school, make phone calls, write notes, and make sure students have everything they need. The office staff serves as the heart and soul of the building. Throughout students' high school careers, they develop strong bonds with the secretaries.

Guidance

The guidance counselors give advice that students can take with them throughout their entire lives. They help prepare the seniors for college both mentally and physically. From the time we walk through the door as freshmen to the time we walk across the lawn in caps and gowns, the guidance counselors have been there to prioritize classes and keep us motivated. No matter what class, guidance always has a place especially for you.

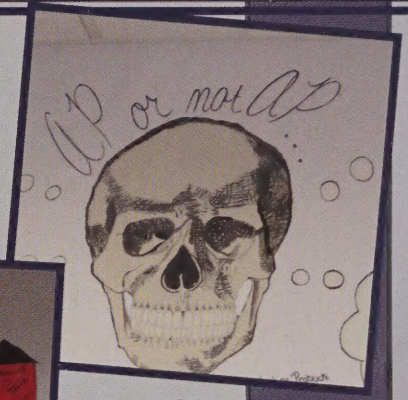
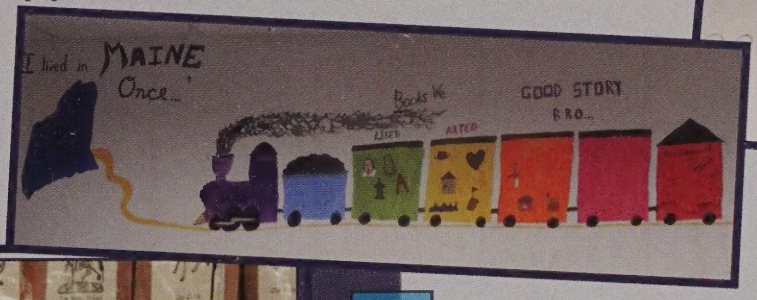
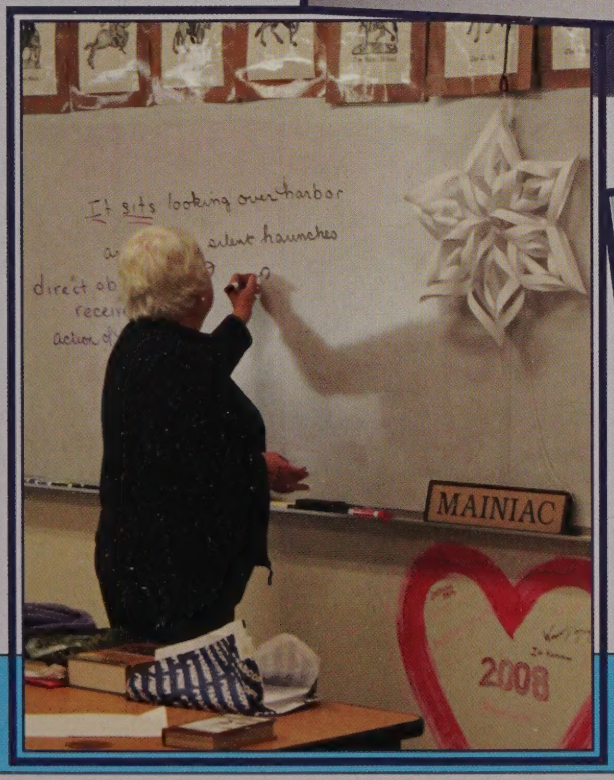
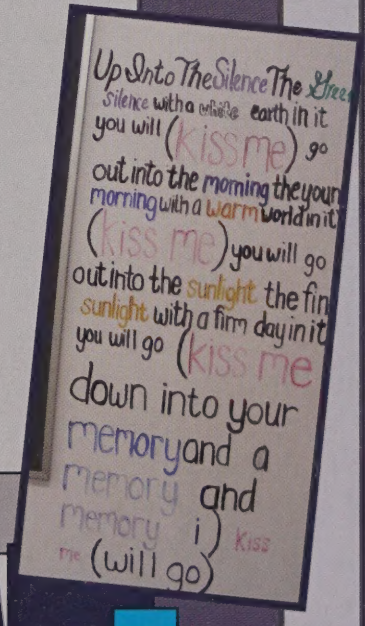
Teacher Dedication

It is with great pleasure that we dedicate the 2012 edition of the Oxford High School yearbook to Mrs. Kathleen Casavant. Mrs. Casavant, one of our school's inspirational teachers, has encouraged students to reach their full potential. During her 34 year tenure, she has taught a variety of English classes, impacting the lives of many students. Mrs. Casavant has given her all to the Oxford community over the years. This dedication is very special because it is Mrs. Casavant's last year at Oxford High. She was the editor of her senior yearbook at Oxford High School, and now she is leaving us as our yearbook advisor. Thank you for all that you have done, Mrs. Casavant, and enjoy your retirement!



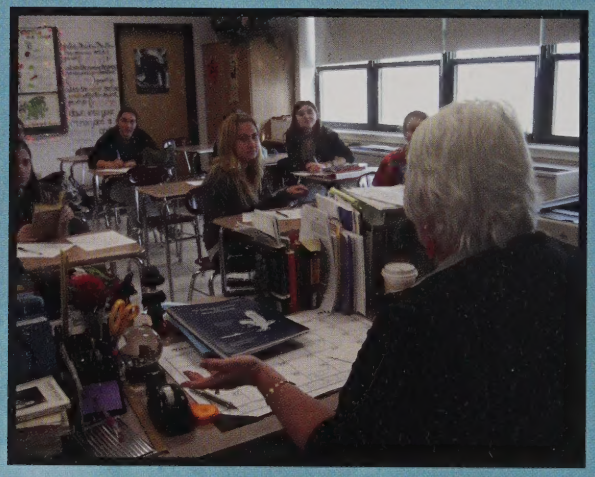






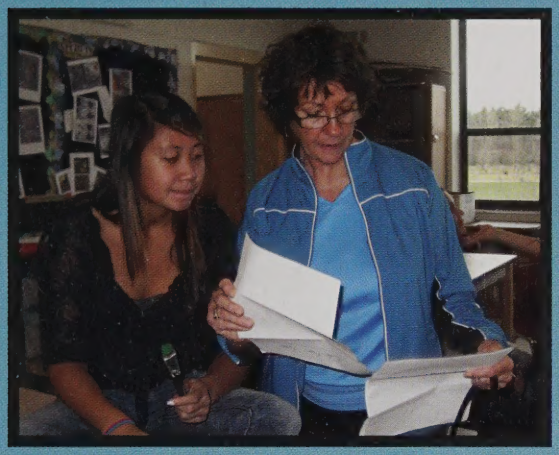
A Fond Farewell

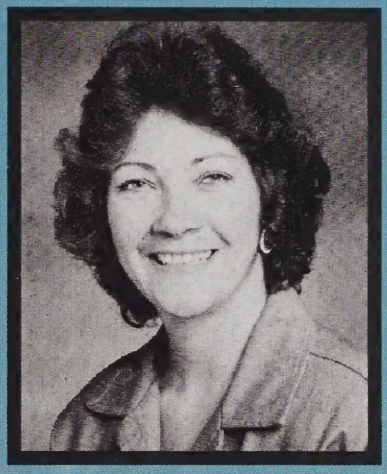
This year, Oxford High School will be losing three outstanding teachers. Mrs. Casavant, Mrs. Lawrence, and Mrs. Spinney will be teaching for their last year. Not only do these three individuals spend their days teaching in the classroom, but they go above and beyond for the student body.

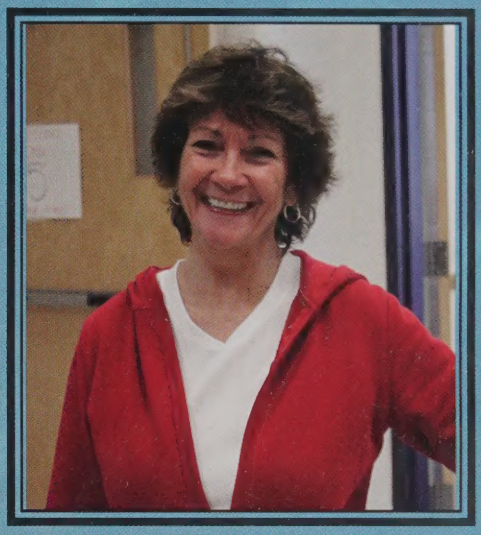


Mrs. Casavant has been the yearbook advisor for the last two years along with teaching AP English. She has been an advisor for previous senior classes and the school newspaper. Mrs. Casavant was a contestant on the Teachers Tournament on Jeopardy, and each year she grades AP English essays in Kentucky. She truly prepares students for college, and they get to relive their childhoods through the senior memory book project. Mrs. Casavant will be remembered after her 34 years of teaching. After retiring, she plans to travel.

Mrs. Lawrence has been an advisor for many classes, including the Class of 2012, the 84.org advisor, and peer mediation advisor. In addition, she educates students about health. Mrs. Lawrence cares deeply for the groups with which she's been involved and is determined to further their causes. Her care and determination were rewarded last year when the 84.org achieved their goal of getting tobacco sales banned in Oxford pharmacies.







Mrs. Spinney has been a part of Oxford High School for 34 years. She is a hardworking teacher who has the patience to understand each and every one of her students. Mrs. Spinney's way of teaching is unlike any other teachers'. She has a class with a comfortable, stress-free environment. After retiring, Mrs. Spinney plans to relax and enjoy life with her family.

Class Advisor
Mr. Welsh

The class of 2015 is already standing out and becoming a tight knit class. I'd personally like to thank all the students who have given their time and energy to make our freshmen year one to remember. From the countless hours spent working on the homecoming rally, to slaving over the grill during the homecoming game and striving with fundraising for the class., I truly appreciate all the hard work you have done. Thank you to the class officers and Student Council members for your dedication to your fellow classmates and your future career here at OHS. I cannot wait to see what the next three years bring. - Mr. Welsh

Class Advisor
Ms. Nugent

This year, the sophomore class worked hard to fund raise for future events. We were successful at Homecoming, selling out completely by the time the night was over. The sophomore class also hosted the first annual Ring Ceremony and Snow Ball in celebration of those students who purchased class rings. Nothing could have been accomplished without the help of our dedicated officers Brea, Ron, Lily, and Ashley. - Ms. Nugent

SEN

Farewell

To the Class of 2012,

Wow! It seems like yesterday I was looking at one hundred and thirty one starry-eyed little freshmen. The past four years have just flown by. I am forever thankful to have been a part of your years at Oxford High School. We have had lots of laughs, hard work, plenty of ups and downs and developed a closeness that makes you a successful united class. The motivation that you have shown throughout high school has amazed me - There was no task big or small that you found too daunting. I have never seen a class that set such high standards for themselves. Your creativity, imagination, and positive can-do attitude will continue to serve you well as you leave the halls of OHS. My graduation wish for the Class of 2012 is happiness, lots of success, and good health. Remember - Every Friday is a HAPPY DAY!!!!

My love to you all,

I would like to thank...

"I would like to thank the music department with all my heart for keeping high school fun and exciting! Without music, I would not be the happy and fulfilled person I am today. I also want to thank my friends for keeping me going over the past four years."
- Katherine Shaw

"There are so many people I need to thank but because of the lack of room I sadly can't get to everyone. High school has been the best four years of my life and even though I can't wait to move out, I will miss everything. I want to thank my Mom, Dad, Gram, Emily, Katie and Mrs. Casavant for your support toward my dream to be an English teacher. I know from all the true love and knowledge you have given me I will reach my dreams. Thank you for helping me find myself."
- Stephanie Palmer

"I'd like to thank my family for supporting me and always reminding me that high school is not the most important thing in the world. Thank you to all of my teachers for helping me discover my talents and for not taking themselves too seriously. My friends who were there for the good and bad and who put up with all of my moods and didn't let my head get TOO big. Finally, I'd like to thank myself for knowing that I'm totally awesome, but still striving to get even better." - Laura Holmes

"I would like to thank my friends and family for their guidance and advice. Without all of their support I cannot truly say that I would be the same person that I am today. I would also like to thank my boyfriend, Corey for picking me up after every time I fall, and encouraging me to do everything possible to achieve my dreams."
- Laura Cleary

"I'd like to thank my family, friends, and the teachers that have made school bearable. I may have made it through without you, but it definitely would've been harder." - Kayla McCarthy

"First off, I'd like to thank Mommy and Daddy for all that they have done for me throughout high school. They dealt with my chaotic schedule, and still love me. I'd also like to thank Ms. Anderson (Mrs. Linfield) for putting up with me for almost half of the day, every day. Lastly, I'd like to thank my friends! You're awesome, so thanks. I'd especially like to thank Laura Holmes for being an awesome best friend, and for making high school bearable. Thanks everyone!" - Lauren Puishys

"I would like to thank my family and friends for helping and motivating me to finish high school. Thank you very much. I love you all."
- Antonio Lopez Jr.

"First I want to thank my parents for everything, as they were there for me and put up with me through everything. They made me the person I am today. I also want to thank everyone at McCoy's Action Karate for everything they did to help me become me. Thank you also to all my teachers, in particular Mr. Ethier who brought out my love for History. And finally I want to thank all my friends who have helped me, support me, and deal with me over the years. I will miss the time I have spent at Oxford High School, so thank you all for making these past few years something to be remembered." - Christopher Reardon

"I would like to thank everyone. Every single person influences your life either directly or indirectly and their actions affect who you are. I am extremely happy with who I am today so thank you to everyone who has touched my life even if it was just in a little way. Thank you to my parents being there for me throughout the years. Thank you to my grandma for helping me pass English and being there for me. Thank you to Emily and Stephy for showing me what true friendship is. Thank you Robbie for showing me what it's liked to be loved and cared for. Once again thank you everyone." - Katie Devon

"I would like to thank my parents and friends for supporting me throughout high school, especially senior year. I would not be as successful as I am today if it was not for all of you pushing me to try my hardest. Thank you all again and I love you." - Cassandra Pastier

"High School has been a roller coaster and I have learned several things not only about a particular subject, but also about life in general. I would like to thank my teachers at OHS for giving me the knowledge and confidence. Thank you Mom, you have taught me how to be a strong and independent woman. Dad, you have taught me to always be myself and that everything happens for a reason. I wish you were here to see me succeed in every chapter of my life. Bro, you have been the best big brother anyone could ask for. To all my friends, thank you very much for being there for me." - Manjushree Burdekar

"Thank you Mom and my amazing girlfriend, Brooke. Thank you to everyone even though I'm not sure why I'm thanking you." - Mark Krevosky

"There are more people I want to thank than there is room on the paper. To start, I would like to thank all of my past and present teachers at OHS for giving me the knowledge and confidence to take on life's challenges. Some people I would like to thank in particular include Emily Barton, for being a good friend and rival, John Lancey, and Positives for helping me when I was down and the whole Senior Class for being my greatest companions."
- Somesh Patel

"I would like to thank my family and friends for supporting me though my 4 years of high school. My mom, for always being the best example of who I want to be when I grow up. My best friend Manjushree for always being here for me and never giving up on me. Also a huge thank you to my teachers, Mrs. Norrgard, Mrs. Hetherman, my guidance counselor, Mr. Sikonski, Mr. O' Brien. Most of all I'd like to thank Mrs. Johns for always helping me and making sure I achieved my every goal. Without her I would have been lost all these years."
- Maria Iudiciani

"Thank you to all the teachers who have helped me succeed in school and all of my friends who have been there for the whole 4-year ride." -Nick Bruzios

Gone But Not Forgotten

On May 26th, 2009, Oxford High School lost a beloved student, friend, and talented individual, Jared Dubsky. Although his life was sadly cut short, during his brief time he touched many people's lives and in death, saved five lives through organ donation. His friend Jared Kennen has this to say, "Jared was my first best friend..from swimming lessons when we were three to acting in middle school musicals together. He cared a lot about his family and friends, and there is not one person in the class who wasn't touched by him." Jared will always be a cherished member of the class of 2012. Remember, every time you see a dragonfly, you see Jared.

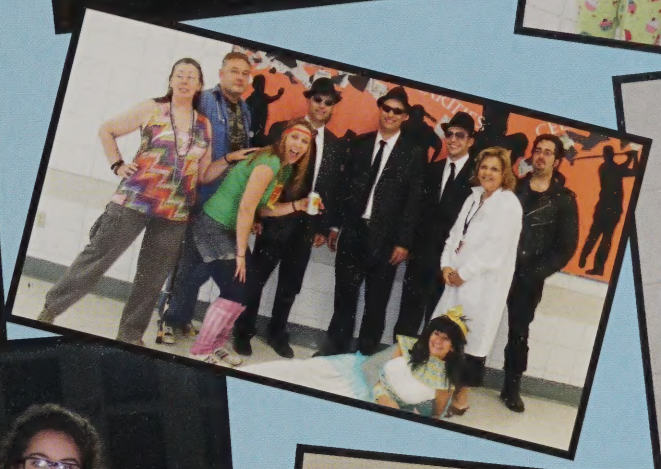
Spirit Week



Spirit Week in October was the crazy madness we've come to expect and love. On Monday, students got comfy and wore their jammies (and slippers, in some cases) to school. Tuesday saw lots of doubles for twin day. On Wednesday, we saw lots of celebrities as students and teachers became characters. On Thursday, crazy hats were worn throughout the school, and on Friday, students proudly wore their class colors.

National Honor Society

National Honor Society is an organization whose members are made up of the top sophomores, juniors, and seniors at Oxford High School. NHS members are selected on the basis of leadership, scholarship, character, and service. This year, we have 50 members. Although the NHS was originally an academic honor group, through the years, we have become a service group also. NHS members are involved in many fundraising activities such as Homecoming and the Valentine's Day dance, as well as community service throughout the town. We are also involved in the RSVP program to raise student voice and participation in the school.

The Oxford High School chorus is a close, friendly ensemble of musicians who love to sing. The in-school chorus is a daily class that meets first period - we start our day off singing! The after school chorus, called the performance choir, gets together every Monday right after school. We perform at concerts during the Holiday season and in the spring, and sing at the Oxford tree-lighting and in Old Sturbridge Village for Christmas.

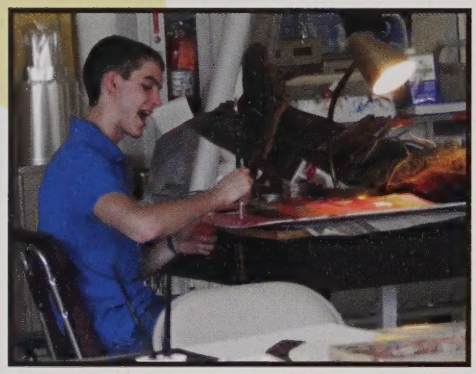
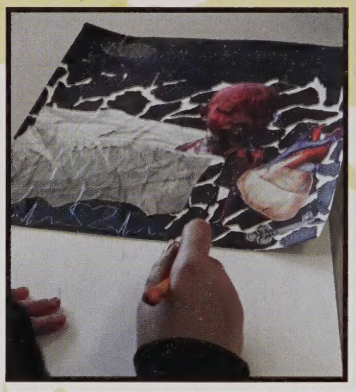
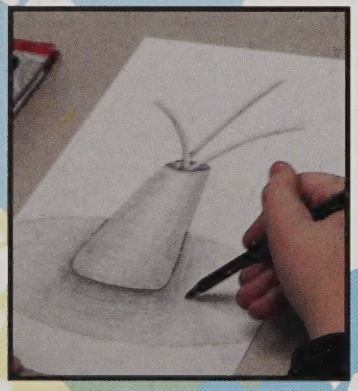
Art

The art program has really developed over the past two years with Mrs. Taborda as a teacher. She is fun and patient and truly inspires her students to reach their full potential. Students are able to reach their full creative ability through a wide variety of art projects. Mrs. Taborda has gone above and beyond her requirements as an art teacher by introducing a 3-D design class this year. In this class, students work with ordinary objects to create extraordinary works of art.







The Oxford High School Naval Junior ROTC program teaches members leadership qualities. The students spend countless hours learning new routines, drills, and other techniques needed for competitions. This year, the members were very dedicated to the program which was clearly shown by their achievements in numerous competitions. The members in the upcoming years will have continued success from the skills learned this year and the encouragement of graduating members.

"Coming into this season, we all had high hopes. We all knew it would be a year to rebuild. We began with great attitudes, excited for the upcoming season. Even though we lost the first game against Bay Path, we kept our heads up waiting for the upcoming season. After crushing South High in the second week, the team was ecstatic. This was the attitude we would need to keep for the rest of the season. Regardless of how the season turned out, we were more than just a team. Football forced everyone to work together and trust others to do their job right. It gave us a sense of pride knowing that we were tougher. Football has become more than just a game; it is an experience that we will keep forever." - Alex White

A Note from the Editors

We would like to thank Mrs. Casavant and Mrs. Taborda for being the yearbook advisors this year. You have truly helped keep us motivated, on task, and united.

Thank you to the Oxford High School faculty and staff for allowing us to make announcements, pull students out of class, and make copies.

Thank you to the students for meeting deadlines, cooperating when we took candids, and helping in any other way possible.

Thank you to the yearbook staff this year. You helped as much as you could by taking pictures, putting together envelopes, helping with pages, and any other demands we had.

Congratulations Class of 2012!

You can't help but learn more as you take the world into your hands. Take it up reverently, for it is an old piece of clay, millions of thumbprints on it. Leave your own! But keep in mind neither success nor failure is ever final, and if opportunity doesn't knock, just go ahead and build a door. We know you will do great things, Nicole. Just know we always have your back. We love you! Congratulations. Sis and Auntie

Congratulations as you graduate from High School! We are so proud of the young man you have grown up to be. We always taught you that life is about making choices, and you have done a wonderful job in the choices you have made. We have had such great times spending time with your friends and taking trips to Disney. You have had so many wonderful experiences- seeing the Red Sox win the World Series, the Patriots win the Super Bowl, the Celtics win the NBA Championship, andthe Bruins win the Stanley Cup, and you were part of the Oxford Senior League team that won the State Championship in 2010. What a ride! We have loved every minute of watching you play sports, and Dad has always enjoyed coaching you through the years. Thank you for the wonderful memories,. May you create new memories as you begin your new journey. May you continue to be a leader and follow your dreams on your road to success! Always believe you have what it takes to do great things!! We will always be here to support you in your future endeavors.
